TEXAS EXES
FLYING LONGHORNS

Dear Texas Ex,

Join fellow alumni and friends as we explore the Galapagos Islands. Designated the first UNESCO World Heritage Site in 1978, the Galapagos Islands have been described as a "unique living museum and showcase of evolution," and they are home to a fascinating array of wildlife inhabiting an unspoiled ecosystem, living in harmony with their human visitors.

This exciting journey features a day of guided touring in Quito plus an intimate cruise through the archipelago with up-close access to endemic species. Expert naturalists guide you through the wonders of this national park, whale sanctuary, and marine reserve.

Accommodations for this adventure are aboard the *Isabela II*, a 40-guest vessel with spacious cabins, local cuisine, and a staff dedicated to ensuring both your comfort and maximum enjoyment of this truly extraordinary destination and its diverse inhabitants. And sailing by small ship allows for flexibility in the itinerary to maximize wildlife viewing, as well as access to exclusive ports.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience stunning natural beauty and rich culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and/or take your reservation. Capacity is limited on this popular program and it may sell out quickly. Contact Shelley Norton to secure your spot at shelley.norton@texasexes.org, 512-840-5628, or 1-800-594-3938. You may fax the included reservation form to her at 512-672-6134.
