TEXAS EXES[®]

— FLYING LONGHORNS —

Dear Texas Ex:

We welcome all alumni, friends and family on this nine-day French sojourn. Visit Provence and the wine regions of Burgundy and Beaujolais *en printemps* (in springtime), a radiant time of year, when woodland hillsides are awash with the delicately mottled hues of an impressionist's palette and the region's famous flora is vibrant throughout the enchanting French countryside. Cruise for seven nights from historic Lyon to Provençal Arles along the fabled Rivers Rhône and Saône aboard the deluxe AMADEUS PROVENCE.

During your intimate small ship cruise, dock in the heart of each port town and visit six UNESCO World Heritage sites, including the Roman city of Orange, the medieval papal palace of Avignon and the wonderfully preserved Roman amphitheater in Arles. Tour the legendary 15th-century Hôtel-Dieu in Beaune, famous for its intricate and colorful tiled roof, and picturesque Lyon, France's *gastronomique* gateway. Enjoy an excursion to the Beaujolais vineyards for a private tour, world-class piano concert and wine tasting at the Château Montmelas, guided by the *châtelaine*, and visit the Burgundy region for an exclusive tour of Château de Rully, a medieval fortress that has belonged to the family of your guide, Count de Ternay, since the 12th century.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience rich history and culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and/or take your reservation. Capacity is limited on this popular program and it may sell out quickly. “A TOUTES LES GLOIRES DE LA FRANCE”

The inscription “A Toutes les Gloires de la France,” engraved on the façade of the royal Palace of Versailles, celebrates France’s extraordinary cultural contributions and outstanding artistic, scientific and political minds. In the Provence du printemps (of springtime), these glories are gracefully steeped into the scenery. The inherent artistry woven into France’s pastoral spring—the effervescent bloom of mid-May and the French spirit—transforms each object into one of beauty. Here, abundant flowers form the backdrop for a living canvas, where a quaint streetside café once served as Van Gogh’s muse and a medieval fortress has evolved into a renowned wine estate.

The wonders of Provence await your discovery during this idyllic sojourn—in the bountiful vineyards of Burgundy with stately châteaux, in the enchanting quarters of Lyon and in the preservation of Provence’s extraordinary Roman ruins, where great history and beauty have been intertwined for centuries. Experience firsthand the remarkable achievements in fine art, cuisine, fashion, architecture, literature, cinema and joie de vivre that have made France so influential across the globe. C’est la belle vie!

PROVENCE Post-Cruise Option

Cover photo: Cruise past the medieval town of Tournon-sur-Rhône, surrounded by undulating, verdant vineyards.

Photo this page: At the confluence of the Rhône and Saône Rivers, enjoy magnificent views of the evening city lights in Lyon.

Lyon

A UNESCO World Heritage site, Lyon is a captivating city at the confluence of the Rhône and Saône Rivers, flowering with cherry blossoms and hyacinth and illuminated by the gleaming city *lumières*, which cast the riverfront incandescent. From lofty Fourvière Colline (Praying Hill), enjoy views of the ornate 19th-century Basilique Notre-Dame-de-Fourvière. Walk the tree-lined streets of the restored Vieux (Old) Lyon, where well-preserved Gothic and Renaissance mansions attest to the wealth of Lyon’s long-standing silk industry. Stroll through the ancient quarter of Saint-Jean and its unique, often hidden *traboules*—narrow, covered pedestrian passageways. Spend an afternoon at leisure in this 2000-year-old city, exploring its cobblestone lanes adorned with flourishing greenery.

Beaune (Burgundy)

Amidst the idyllic Burgundy countryside, visit the picturesque medieval fortress Château de Rully, nestled among Chardonnay vineyards.

The Rhône Valley vineyards thrive on both of the region's famous wines from the region.

Count Raoul de Ternay will guide your private tour of the estate, his family's ancestral home since the 12th century.

Beaune, founded in the fifth century B.C., is the longtime capital of Burgundy wines, located in the famous Côte d'Or *département*. This historic city and its surrounding Burgundy *terroirs*, vineyards and cultural landscape comprise a UNESCO World Heritage site.

Tour the legendary Burgundian Renaissance-style Hôtel-Dieu, one of the best examples of 15th-century French architecture, famous for its iconic, colorful tiled roof and once a charitable hospital.

Beaujolais

From the lovely vineyards of Beaujolais, the "land of the golden stones," France's youthful, fruity *nouveau* wines are cultivated. Located along the banks of the Saône River, this internationally acclaimed wine region has been known to produce more red wine than the Burgundy vineyards of Chablis, Côte d'Or, Côte Châlonnaise and Mâconnais combined.

In the fertile heart of Beaujolais, visit the 10th-century Château de Montmélas. *Châtelaine* Delphine d'Harcourt will greet you upon arrival and guide your exclusive tour through her home.

Known to the ancient Romans as Arar, the Saône River meanders through inviting medieval villages and the French countryside.

Enjoy a private, specially arranged performance of fortepiano music by an internationally recognized pianist living in Burgundy, accompanied by a wine tasting and local canapés.

Vienne

Located at a scenic bend in the Rhône River, Vienne features a trove of architectural treasures. The Romans highly valued this strategically located town and endowed it with some of the finest Classical antiquities in France; amongst these are the nearly perfectly preserved Temple d'Auguste et de Livie, built in 25 B.C. in honor of Rome's greatest emperor, and the Théâtre Romain, a beautifully restored amphitheater at the foot of Mont Pipet, seating up to 13,000 spectators, and still in use today. The town's most notable medieval landmark, constructed between the 12th and 16th centuries, is the Romanesque-Gothic Cathédrale de Saint-Maurice. This evening, enjoy a specially arranged wine and Valrhona chocolate tasting with a well-known French sommelier on board the ship.

Orange

Traverse the pastoral French countryside, passing lavender *champs* (fields) and stucco *maisons* (houses).

ides of the river, producing some of the world's most

Admire the Roman city's UNESCO World Heritage sites—visit the well-preserved ancient Roman Theater, still hosting performances today, and see the Triumphal Arch, built in the late first century in testimony to Augustus Caesar and Roman imperial glory.

The first-century Pont du Gard aqueduct was built with 55,550 tons of soft limestone blocks.

Pont du Gard

Visit the UNESCO World Heritage-designated Pont du Gard, an exquisitely built 2000-year-old Roman aqueduct that once supplied over nine million gallons of water daily to the city of Nîmes. This masterpiece of engineering was constructed of limestone cut to fit together seamlessly without mortar, using arches to support the weight.

The 12th-century Saint Bénézet was said to have been endowed with the strength to lay the stones of the Pont d'Avignon in the Rhône River with his own hands.

Arles' Romanesque architecture reflects its history as a vital port on the Roman road from Italy to Spain.

Avignon

Built on the banks of the Rhône, the ancient city of Avignon is a UNESCO World Heritage site and was the center of Western Christendom from 1309, when Pope Clement V moved the papal capital here until the Great Schism with Rome in 1378. Tour the grandiose Palais des Papes (papal palace), the largest château-fort built in Europe during the Gothic era and the primary testament to Avignon's golden age.

At the river's edge, see the remaining four arches of the Pont Saint-Bénézet (Pont d'Avignon), the only bridge built across the Rhône during the Middle Ages and an exceptional example of medieval fortifications.

Arles

This archetypal Provençal city is unmatched in its *joie de vivre* and is home to one of the most majestic collections of UNESCO World Heritage-designated Roman monuments. Visit the magnificently restored amphitheater, built in the first-century B.C. for 20,000-spectators and the 12th-century Église Saint-Trophime, a former cathedral
