Trans-Siberian Railway

from Mongolia to Moscow

Tracing the Footsteps of Genghis Kahn

Church of All Saints, Yekaterinburg

Dear Texas Ex,

Join fellow alumni and friends for an unparalleled journey through history on the Trans-Siberian Railway—a legendary network of rails. Enjoy modern amenities, comfortable lodging, and exciting excursions as you leisurely traverse two continents by private train during this epic adventure—through the Mongolian steppes, along the remote shores of Lake Baikal, and deep into Russia.

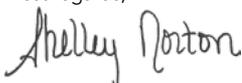

Traveling by rail through the diverse eastern Siberian countryside is slow and rewarding, accented by a cultural cornucopia both on and off the train.

With local guides at each stop, explore city highlights like the Chojjin Lama Temple and Gandan Monastery, the Okhlopkov Drama Theatre and Taltsy Museum, and Russia's crown jewels: the Kremlin plus a private opening at St. Basil's Cathedral.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience stunning natural beauty and rich culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and/or take your reservation. Capacity is limited on this popular program and it may sell out quickly. Contact Shelley Norton to secure your spot at shelley.norton@texasexes.org, 512-840-5628, or 1-800-594-3938. You may fax the included reservation form to her at 512-672-6134.

Activity Level: Guests should be comfortable boarding and disembarking trains without assistance, walking and moving between cars while train is in motion and navigating steep, narrow stairs to the upper level of the observation car. All hallways are narrow and have handrails, but train travel can be unpredictable and some unexpected movement may occur. Outside activities are generally not very strenuous, however, we expect that guests can enjoy two hours or more of walking, are sure-footed on cobbled surfaces, and can walk up and down stairs without assistance. Due to the structure of some buildings, facilities for the disabled may be limited.
