8 DAYS OF EXTRAORDINARY NATURAL
PRESERVES AND FRONTIER HISTORY

Dear Texas Ex,

Please join us on a transformative journey into the sublime, sprawling wilderness of California's national parks. With more national parks in the Golden State than anywhere in the nation, it's home to some of our most iconic natural wonders—the highest waterfalls, largest trees, and one of the deepest canyons.

Showcasing Death Valley, Yosemite, Sequoia, and Kings Canyon National Parks, this 8-day program celebrates the history, beauty, and culture of these magnificent public lands. Together we'll experience rich and diverse natural landscapes, opportunities to glimpse wildlife, a cosmic voyage of stargazing, and a palpable connection with nature.

After each rewarding day exploring the surreal geological formations at Death Valley, the picturesque panoramas at Yosemite, and the towering sequoia forests of Sequoia and Kings Canyon, we'll retire to well-regarded and comfortable resorts and lodges.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Memberships start at just \$50.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience stunning natural beauty and rich culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and/or take your reservation. Capacity is limited on this popular program and it may sell out quickly.

To secure your spot, please contact the Flying Longhorns travel office at 800-594-3900 or www.TexasExes.org/Travel with questions or to make a reservation. Or you may fax the reservation form to us at 512-672-6134.

Best regards,

Your Flying Longhorns Travel Team: Shelley, Janice & Leslie

Many of the parks have dirt trails, but they are usually fairly smooth for walking, some do have paved pathways and boardwalks. It is our expectation that guests on this program are able to walk a mile at a moderate pace, get in and out of a motor coach, and walk up a flight of stairs without assistance. Also keep in mind that you will experience varying altitudes, rising up to 10,000 feet, to which you may not be accustomed.
