Discovery

AHI Connects: Meet the People.

Following a delicious lunch of local flavors, meet some residents of Paestum. Enjoy an engaging dialogue as they discuss their lifestyles and experiences in Italy.

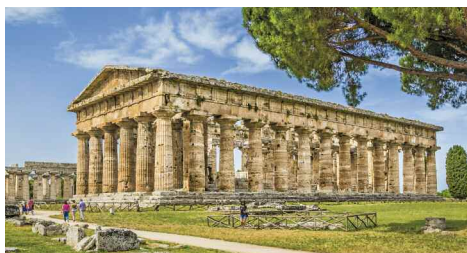

Charming Amalfi Coast. Encounter the magnificent Amalfi coastline with its brightly colored villages and towering cliffs. Begin in Ravello, perched high on a rocky spur overlooking the sea. Visit the 13th-century Villa Rufolo, known for its square courtyard and gardens. Travel to the town of Amalfi to see the stunning *Duomo di Sant'Andrea* and piazza, buzzing with energy. Board a private boat for a scenic ride to Positano, soaking up postcard-perfect views of the coastline from the sea. After an orientation tour, enjoy free time to craft your own path in Positano.

Paestum. These incredible ruins feature well-preserved Greek temples, ancient defensive walls and the remains of three major Doric-style temples.

Naples and the Museo Archeologico Nazionale. This world-renowned museum is recognized for its enthralling collection of art and objects from Pompeii and Herculaneum. Tour the museum, followed by a panoramic tour of the city. Enjoy views of the azure Bay of Naples from Posillipo Hill and celebrate the day over a lunch of Neapolitan pizza!

Sorrento. Beautiful Sorrento has been heralded by poets and artists for centuries. During an orientation tour, walk along *Corso Italia* and *Via San Cesareo*, passing shops selling *limoncello*, and admire thrilling views of azure seas beyond. Venture inland to visit a traditional rural farm where we'll tour olive tree groves and learn about the production of olive oil. See how delicious *Fior di Latte* is made and delight in a tasting of the cheese.

Herculaneum and Pompeii. Spend a full day exploring the ancient Roman cities of Herculaneum and Pompeii, which were destroyed when Mount Vesuvius erupted in A.D. 79. The seaside town of Herculaneum was preserved by mudflows while Pompeii, the larger of the two cities, was covered by ash. The resulting preservation of these two cities is unlike anything else in the world.
